CHIEF MUSSACUNNA CHAPTER, SOUTHAVEN, MS

WHAT WE DO

Membership is open to any woman at least 18 years old who can trace lineal descent from a Revolutionary War soldier or patriot. Feel free to contact us online or to attend a meeting as our guest to learn more about the Daughters of the American Revolution and membership.

What is the DAR?

With more than 120 years of tradition, over 920,000 members admitted since its founding, a vast array of service work, an historic National Headquarters building with extraordinary collections, and countless activities taking place locally, nationally and globally, there is much to learn about the Daughters of the American Revolution.

The DAR was founded in 1890 with the simple mission of promoting historic preservation, education and patriotism. These timeliness, overarching principles keep the DAR strong and vitally relevant in this ever-changing world.

This nonprofit, nonpolitical volunteer women's service organization dedicated to promoting patriotism, preserving American history and securing America's future through better education consists of nearly 175,000 members in 3,000 chapters across the world. These vibrant, active women are the heart of the organization.

PATRIOTISM

We are a very patriotic group of women, opening each meeting with a ritual that salutes the flag and recites the American's Creed. We work to support schools and scholarships, to provide gifts for veterans and hospital patients, and to award medals to students outstanding in history, citizenship, and R.O.T.C.

CITIZENSHIP, HISTORIC PRESERVATION

We distribute a DAR Manual for Citizenship, we stress conservation of natural and human resources, and we collect and preserve genealogical records. We celebrate Constitution Week, focusing on the provisions of the Constitution. American History Month is observed each February.

MEETINGS AND EVENTS

Our Chief Mussacunna chapter meets monthly during the year and we attend state meetings each February and national DAR meetings each June. We work to contribute to our great state and nation through our conservation, education and historical observances. And we do it all having fun!
